FELIS BRITANNICA PET REGISTRATION FORM GUIDANCE NOTES

1 Registering Club

You must belong to one or more of the Felis Britannica member clubs in order to use Felis Britannica's registration services and have nominated a club through which to process your registrations – all registration applications must be sent to that nominated club. Enter the membership number you hold with the club you have nominated to process your registrations.

2 Name of Cat

The name of the cat must not exceed 35 characters including spaces.

3 Sex

Adult pet cats (i.e. over 10 months old) may not be shown unless they have been neutered. For adult cats, use FN (female neuter) or MN (male neuter). For kittens, you can use F (female) or M (male).

4 Coat Colour and Pattern

Please indicate the colour and pattern (e.g. tabby). Examples: black and white, tabby, red (also known as ginger), red tabby and white, white, blue (also known as grey), tortoiseshell, etc.

5 Coat Length

Please state Longhair or Shorthair.

6 Certified Pedigree

A certified pedigree is required importing a cat or kitten from any other registry to Felis Britannica.

A certified pedigree for the sire must always be sent with a litter registration if the sire is not registered with Felis Britannica.

7 Date of Birth

Please state date of birth if known. If not known exactly, please give nearest estimate e.g. 20/4/00 or April 2000 or 2000.

8 Certificate of Hearing

A Certificate of Hearing is required for all solid white cats and kittens before they can be shown. This does not apply to cats which have some colour with the white e.g. a white and black cat does not need a Certificate of Hearing.
