

15<sup>th</sup> September 2008

Dear member clubs, dear members,

Thank you for the nominations received, for the various vacant positions within FB. The EC has discussed the way in which it carries out the co-option process, and its desire to involve the clubs, nominees and the membership as a whole more in this process, as many members have expressed an interest to knowing more about how FB operates, in particular what would be required of them if they were to be selected for one of the positions open.

To this end, as we have a few positions vacant at the same time, the EC has decided to hold a meeting, open to all individual members who would like to come along to find out if any of the vacant positions would suit them. The positions vacant will be discussed at this meeting and the co-options will be made on the day during an EC meeting after the meeting. If any member in attendance wishes to stand for one of the positions their nomination will be taken at or immediately after the meeting, and added to the ones already received.

The EC would like to request a representative from each of the clubs to be present, to ensure the clubs are fully involved with this day, which the EC hopes will showcase how members can be of benefit to their organisation, as well as how the EC decides these matters.

The meeting will take place on the 12th of October 2008 at the George and Dragon, Sliver Street, Chacombe, near Banbury, OX17 2JR and is scheduled to start at 11.30am.

If possible could any member intending to come please advise their club secretary; however members are free to turn up on the day without prior notice. Club secretaries please could you forward all replies received to the General Secretary by 9th October, along with the name of your club representative.

The EC looks forward to seeing you at this meeting,

Kind Regards,

Fran de Courcy Rolls  
General Secretary Felis Britannica
