

SPECIAL NOTICES

1. **VACCINATIONS** - All exhibits must be inoculated against Feline Infectious Enteritis, FHV & FCV (caflu) by a veterinary surgeon in accordance with each country's veterinary regulations, against panleucopaemia and cat-flu and have had the required boosters, at least 15 days prior to the show. The period of validity is as marked by the veterinary surgeon on the vaccination card. **A valid vaccination certificate must be produced for each exhibit.**
2. **NAMES OF EXHIBITS** - The full registered name (exactly as stated on the registration document, including any registration letter and/or titles or awards) must be stated on the show entry form.
3. **SHOW CLASSES** - The show manager will enter your exhibit in the appropriate class according to the information entered on the entry form. IT IS THE RESPONSIBILITY of the exhibitor to ensure that the details in the catalogue are correct and if a mistake is found, the exhibitor must inform the Secretariat before the commencement of judging.

Awards and titles gained at the show are dependent on the correct information concerning your cat being available to the Show Manager. Please take the time to make sure that you have 'got it right'. Once the show is over it is too late to do anything about it.

White Cats:

It is a FIFe rule that no white cat can be accepted at a show without having a Certificate of Hearing. This Certificate should be shown to the veterinarian when passing through the vetting-in procedure.

Rosettes:

For this show the club will be giving rosettes for all classes, BIVs, Nominations and Best in Show wins. If you do not require class rosettes please deduct £1.50/cat from your entry fees (BIV, Nom and BIS rosettes will still be given).

OWNERS WILL BE ASKED TO PRESENT THEIR OWN CATS TO THE JUDGES TABLE.
